BANKSY UNAUTHORIZED

Brilliant, transgressive, desecrating, universal, a journey into the thinking behind the most famous signature of contemporary street art. In the mockumentary, video and photographic contributions alternate with scenes filmed in the artist's workshop.

Through his voice, we take a journey into Banksy-thinking with the aid of art historian Alessandro Romanini. The very few interviews given by the street artist are combined with his most famous works.

Leghorn-based street artist Mart Signed, Banksy's most representative Italian follower, accompanies us in this journey.
