

MAY FEELINGS

May Feelings is very special social network based on the idea that praying can actually change the world. With more than 80,000 followers from 120 countries and a daily average of 2,000 prayers posted, it was and it is the dream of three young Spaniards. They developed it in 2012 after realizing that their videos posted on Youtube in May of that year, in celebration of the Holy Virgin, attracted huge numbers of viewers.

Our documentary tells their story and will introduce you to the soothing reality of May Feelings.
