THE WAITER

A character study. A murder story in a paradoxical way. Renos is a professional waiter, ambiguous, lonely, yet a meticulous observer of people. Unwillingly he gets entangled in the mysterious disappearance of his neighbour Milan. "The Blond" and Tzina, two people who had relations with Milan, will lead Renos to an extreme ride that will alter his well kept routine and test his ability and willingness to change his life over matters of love and death.
As the relation between Renos and the two develops the thin line of secrecy will break. Will Renos be able to follow through?
