THE WELL-TO-DO

Umberto Maria Dorloni is a successful lawyer and a socialite who likes parties and the high life. He's got it all, except any ethical qualms...He will never admit it, but he knows that his stay-at-home wife's got far more brains than him and is much better at dealing with their problem children. Only a step away from the top, his perfect world crumbles to show him the brutal downside in his life; in a tragicomic downward spiral of deceptions and setbacks, he understands he must fight back to get his place in society, but as a new man...

The Well-to-do is a dark comedy dealing with contemporary society.
