TALENT SHOW

URBAN ARENA

Urban Arena is Talent Show dedicated to Urban Sports – veritable sports disciplines that are increasingly popular among the young and evermore characterized by an "action" lifestyle, one that is decidedly "cool!" An impactful and high adrenaline contest among various teams composed of urban sports performers who base themselves entirely upon their physical and technical abilities.

• 5 discipline: freestyle soccer, freestyle basketball, skateboarding, freestyle BMX and Parkour besides two special trials of Basketball and Soccer.
• 4 teams made up of 5 performers each.
• A veritable Arena set up for the competition and with stands all around for the public.
• A jury made up of 4 elements, a sports personality, a VIP from the acting world and a rapper, led by one of the greatest, universally recognized experts in the particular sporting disciplines.

And there's the actual and factual contest with its clear and captivating mechanism of "battles" which will take place in 6 episodes of 90' each, among which the semifinals and the superfinals!

All this is the Urban Arena!
